DEPUTATION TRAINING

Have Your Say in the Toronto City Budget

Do you want to help make the case for stronger funding for community programs

WHAT IS A DEPUTATION?

A deputation is a short presentation made to City Council or one of its committees, where members of the public can share their views, stories, and recommendations on important issues such as how funding should be distributed in the City's budget.

Come learn how to share your story and advocate for change.

THIS IS A GREAT OPPORTUNITY TO SPEAK UP FOR THE ESSENTIAL & UNDERFUNDED PROGRAMS THAT SUPPORT OUR COMMUNITIES.

ABOUT THIS TRAINING:

This free training is for the drop-in sector and allied community programs on how to depute. Every February, the City of Toronto finalizes its budget for how funding will be distributed throughout the year. On January 26 & 27, the public will have the opportunity to appear in person or by video conference before the City Council Budget Committee to share their thoughts on which programs need funding and why.
