TORONTO CITY BUDGET 2027

Learn how to write & make an impactful deputation

Do you want the City of Toronto to put more money into community programs? Have your say in the City budget!

WHAT IS A DEPUTATION?

A deputation is a short presentation made to City Council or one of its committees, where members of the public can share their views, stories, and recommendations on important issues such as how funding should be distributed in the City's budget.

DEPUTATION TRAINING

THIS IS A GREAT OPPORTUNITY TO ADVOCATE FOR UNDERFUNDED AND ESSENTIAL PROGRAMS THAT SUPPORT OUR COMMUNITIES.

ABOUT THIS TRAINING:

This free training is for the drop-in sector and allied programs on how to depute. Every February, the City of Toronto finalizes its budget for how funding will be distributed throughout the year. In January, the public will have the opportunity to appear in person or by video conference before the City Council Budget Committee to share their thoughts on which programs need funding and why.

Thursday, December 17th
10:00am to 11:30am
(Zoom)
