**While soccer is happening in the City over the next few weeks, there will be major transit interruptions.**

**This may impact access to drop-in programs and other social services, as certain streets will be closed, transit will be re-routing, and it may be very crowded.**

**PLAN AHEAD AS BEST YOU CAN**

**Keep drop-in program participants informed and connected, and create travel plans with staff/volunteers.**

# KEEP EACH OTHER SAFE & CONNECTED

The influx of transit users and tourists in the City will also mean an increase in security and police presence. The passing of Bill 6 and the forced closures of many of our Supervised Consumption Sites (SCSs) by the Provincial government has meant increased surveillance, harassment, and violence against vulnerable people experiencing homelessness and people who use drugs (PWUD) being in public spaces.

## EVERYONE HAS THE RIGHT TO ACCESS PUBLIC SPACES WITHOUT BEING HARASSED

TTCRiders have an extensive resource available (including wallet-sized print cards) about Knowing your Rights on Public Transit.

### Know Your Transit Rights!

- Bus and streetcar drivers cannot refuse you service for not paying for fare.
- If your 2-hour transfer ends while you are on a TTC vehicle, you have the right to complete your trip. If you transfer to another vehicle, you will need to pay another fare.

# KEEP EACH OTHER SAFE & CONNECTED

We will be posting a “Heads Up!” reminder on social the day before every match day so that folks can help to keep people connected and informed.

We’ve also collaborated with the Toronto Underhoused and Homeless Union (TUHU) on a flyer for outreach teams to pass around to our underhoused and homeless community members to support folks in connecting with drop-in programs and being informed of increased security hot spots.
